

## **IN THIS RUSHING WORLD**

Be still, in His presence, feel your Saviour there  
Be still, in His presence, know for you He cares  
    Feel His love, know His grace  
    Reach out to Him now,  
All your troubles, feel them washed away  
    Linger and be still.

Be still, in His presence, touch your Saviour there  
Be still, in His presence, leave your burdens there  
    No-one loves you, as much as Jesus  
    Reach out to Him now  
    He will lift you, He will touch you  
    Linger and be still.
